Introduction

Improve productivity when using your iPAQ Pocket PC alone or with an expansion pack. The standard keyboard layout allows you to effortlessly take notes, email, or write reports. It is great for entering a large amound of data quickly. When not in use, the keyboard folds up into an ultra-small package for easy portablility. The FoldableKeyboard is designed for use with Compaq iPAQ H3800 Series Pocket PCs but may be used with any of the Compaq Expansion Packs.

Key Benefits

- High portability and ease of use
- Standard keyboard layout
- Functionality equal to a full-sized standard keyboard
- Low power consumption
- Wide range of language formats
- Charge your iPAQ Pocket PC while using the keyboard through the power pass-through jack
- No battery required

Compatibility

The Foldable Keyboard is compatible with Compaq iPAQ Pocket PC H3800 Series

Service and Support

The Foldable Keyboard has a one-year warranty or the remainder of the Compaq product in which it is installed. Technical support is available seven days a week, 24 hours a day by phone, as well as online support forums. (Certain restrictions and exclusions apply.)
