HP Value Receipt Printers

Complete your retail solution

Both the HP Value Serial/USB Receipt Printer and the HP Value PUSB Receipt Printer are single-station thermal receipt printers designed for solid performance and reliability in retail environments. Choose an ubiquitous USB cable or legacy DB9 Serial cable to connect the HP Value Serial/USB Receipt Printer to your current systems. With the HP Value PUSB Receipt Printer, power up and connect using just one cable, a single powered USB. Simply connect your choice of printer to your platform, add paper, and you're ready to print.

Customize your receipts.

Add a logo to your receipt or print special offers and coupons with integrated 2 MB Flash memory.

Retail-ready design.

Place the compact printer where you need it with the assurance that the internal steel frame will withstand the everyday wear and tear of retail environments.

Supported by HP.

Rest easy that your IT investment is supported by a three-year standard limited warranty. To extend your protection beyond the standard warranties, select optional HP Care Pack Services.[1]
