

Lexmark MS710 Series

Monochrome Laser Printers

MS711dn

Handle Complex Specialty Media Effortlessly.

Reliable, fast and easy-to-use, the Lexmark MS710 Series is ideal for customers who need to print on speciality vinyl or narrow batched media.

Stand Out by Using Vinyl and Narrow Media.

Outstrip the competition by printing a wide variety of speciality media from one reliable device. Our advanced paper handling allows you to process more in less time.

Print on a Wide Range of Media – Works easily with a wide range of sizes and diverse materials—from small, narrow formats to vinyl outdoor media.

Excel at Narrow Sizes – Don't sweat the small stuff. With excellent feed reliability, the MS710 Series is superior at printing media as narrow as 3 inches (7.6 cm) wide.

Handle Large Runs Reliably – Get superior results when printing specialty media in larger quantities. Our advanced pick mechanism delivers consistent throughput to effortlessly handle your large print jobs locally.

Innovative Toner for Optimal Image Quality – Experience greater performance with Lexmark's UnisonTM Toner, which delivers consistent quality from the first print to the last, no matter what you print on.

Set the Pace for Accelerated Productivity.

Efficiency and accuracy mean printing every document correctly the first time, regardless of media type. This dependable advanced series prints speciality media based on your preferences and volumes.

Reliable High Performance – Easily print up to 50,000 pages per month on complex media and enjoy smoother print runs, thanks to our state-of-the-art paper handling.

Keep Jobs Moving – With a maximum input capacity of up to 4,400 sheets spread over six input trays, you can load a variety of media to easily execute diverse print jobs from one device. Opt for a lockable tray to keep your prescription forms and other sensitive paper secure.

Fast Processing Power – Improve print speeds by taking advantage of up to 2.5 GB of upgradable memory, an 800 MHz dual-core processor and Gigabit Ethernet. It delivers the power that you need to react quickly to a competitor's price move by printing locally on demand.

Rapid Professional Printing – Great for office printing such as business documents, invoices and reports. You'll race through print runs at speeds up to 55 pages per minute.

Make the Move to Multipurpose – Combine with the MX6500e Multifunction Option to add full multifunction capability. Enjoy the convenience of copying, faxing, emailing and scanning—all from one device.

Adaptable. Secure. Dependable.

Respond quickly to changing business needs with the Lexmark MS710 Series. Designed to enable convenient on-demand printing and streamline your business operations, these printers are specifically engineered for printing on complex, hard-to-print media. This makes them the ideal choice for:

Retail Signage – Print great-looking shelf-edge signs and labels. For the world's leading shelf-edge signage solution, combine with our AccessVia Software. Visit www.accessvia.com for details.

Pharmacy – Print integrated and dual web prescription labels and duplex pharmacy media correctly the first time, regardless of media type. Lexmark's reliable devices deliver high performance in a compact space-saving design.

Government – Designed to modernise and improve service delivery, Lexmark devices improve and automate your processes, allowing you to easily print on complex media such as bumper stickers, identification documents and permits. Our products can also help you maintain compliance with mandated security standards, such as secure driving licences.

Lexmark MS710 Series Product Specifications

MS710 Series Printer Features

*For supported maximum configurations, refer to the *Printer, Option and Stand Compatibility Guide* at http://www.lexmark.com/publications/furniture_safety/

Product Specifications	Lexmark MS710dn	Lexmark MS711dn
Printing		
Display	6-cm (2.4-inch) colour LCD display	
Print Speed: Up to ⁴	Black: 50 ppm	Black: 55 ppm
Time to First Page: As fast as	Black: 8 seconds	
Print Resolution	Black: 600 x 600 dpi, 2,400 Image Quality, 1,200 Image Quality	
Memory / Processor	Standard: 512 MB / Maximum: 2560 MB / Processor: Dual Core, 800 MHz	
Hard Disk	Option available	
Recommended Monthly Page Volume ²	3,000 - 20,000 pages	5,000 - 50,000 pages
Maximum Monthly Duty Cycle: Up to ³	250,000 pages per month	300,000 pages per month
Supplies		
Special Media Applications Cartridge Yields: Up to	25,000 ¹ -page High Yield Cartridge	45,000 ¹ -page Extra High Yield Cartridge, 25,000 ¹ -page High Yield Cartridge
Cartridge(s) Delivery with Product	10,000 ¹ -page Starter Return Programme Toner Cartridge	
Imaging Unit Estimated Yield: Up to ⁵	100,000 pages, based on 3 average letter/A4-size pages per print job and ~ 5% coverage	
Paper Handling		
Included Paper Handling	Integrated Duplex, 100-Sheet Multipurpose Feeder, 250-Sheet Input, 550-Sheet Output Bin	Integrated Duplex, 100-Sheet Multipurpose Feeder, 550-Sheet Output Bin, 550-Sheet Input Bin
Optional Paper Handling	Output Expander, High Capacity Output Expander, 4-Bin Mailbox, 250-Sheet Tray, 250-Sheet Lockable Tray, 550-Sheet Tray, 550-Sheet Lockable Tray, 2,100-Sheet Tray, Staple Finisher, Staple and Hole Punch Finisher	
Paper Input Capacity: Up to	Standard: 350 pages 75 gsm bond / Maximum: 4,100 pages 75 gsm bond	Standard: 650 pages 75 gsm bond / Maximum: 4,400 pages 75 gsm bond
Paper Output Capacity: Up to	Standard: 550 pages 75 gsm bond / Maximum: 2,450 pages 75 gsm bond	
Media Types Supported	Refer to the Card Stock & Label Guide, Plain Paper, Integrated Labels, Card Stock, Dual Web Labels, Paper Labels, Polyester Labels, Vinyl Labels, Transparencies	
Media Sizes Supported	A6, Oficio, Universal, Statement, Folio, A5, A4, Executive, JIS-B5, Legal, Letter	
General		
Connectivity (standard)	Front USB 2.0 Specification Hi-Speed Certified port (Type A), Gigabit Ethernet (10/100/1000), One Internal Card Slot, USB 2.0 Specification Hi-Speed	
Optional Network Ports / Optional Local Ports	Internal MarkNet N8350 802.11b/g/n Wireless / Parallel 1284-B Interface Card, RS-232C Serial Interface Card	
Noise Level, Operating	Print: 55 dBA	Print: 56 dBA
ENERGY STAR	Yes	
Specified Operating Environment	Altitude: 0 - 2,896 Metres (9,500 Feet), Humidity: 8% to 80% Relative Humidity, Temperature: 16° to 32°C (60° to 90°F)	
Size (mm. - H x W x D) / Weight (kg.) (in. - H x W x D)/Weight (lb.)	390 x 425 x 510 in. / 23.13 kg. 15.4 x 16.7 x 20.1 in. / 51.0 lb.	419 x 425 x 510 mm. / 23.77 kg. 16.5 x 16.7 x 20.1 in. / 52.4 lb.

¹ Average standard page yield value declared in accordance with ISO/IEC 19752. ² "Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages that customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed and typical customer usage. ³ "Maximum Monthly Duty Cycle" is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs. ⁴ Print and copy speeds measured in accordance with ISO/IEC 24734, excludes first set of test documents. For more information see: www.lexmark.com/ISOspeeds. ⁵ Actual Yield may vary based on other factors such as device speed, paper size and feed orientation, toner coverage, tray source, percentage of black-only printing and average print job complexity.
