

HP Engage 6.6 inch Pole Display (10P79AA)

Overview

Display your content exactly where you need it

Get vital text and video content out in front with this dynamic 6.6" customer facing pole display for the HP Engage One Pro. An adjustable design and future-minded features bring all the style and scalability you need to make your customers' experience pop.

Versatile function in a sleek design

Captivate attention with this attractive, adaptable display that lets you put vital information right where you want it. Simply attach it to the HP Engage One Pro with the included 1.8 meter USB-C® cable, and position it to best suit customers' needs

Fully adjustable to suit your needs

Find the optimal height for your countertop—from 5 inches to 1.3 feet—with three adjustable pole sections and enhance legibility for customers with built-in tilt and swivel for adaptable viewing angles.

Dynamic text and video display

Display a diverse range of content—everything from useful purchase information and loyalty reward programs to eye-catching promos—supports 2x20, and 3x16 lines of text or engaging videos. Customize your customers' experience with ease.

Brightness built to last

Ensure customers can view essential information across a gamut of lighting conditions with this bold, bright display. 400 nits of brightness and a LED half life of ≥ 50,000 hours deliver superb visibility and lasting value.

Features

Your choice of OS

Enjoy support for your retail operating system of choice. The HP Engage One Pro customer facing pole display supports Windows 10, Windows 10 IoT, Linux®, and Android-based systems.

Supported by HP

Rest easy that your IT investment is supported by a three year standard limited warranty.[2]
