Model

HP USB HD 720p v2 Business Webcam

D8Z08AA

Introduction

Easily connect with colleagues for all of your videoconferencing needs.1 The HP USB HD 720p v2 Business Webcam delivers professional video/audio in a compact design that connects to any USB port on your PC and sits neatly on top of your monitor.

Overview

Performance and Features

- Enjoy a business-class 720p, true 16:9 HD image and 360° pan/30° tilt adjustability that captures multiple users. Reduce background noise during videoconferencing¹ with the directional microphone.
 - Get up and running quickly with the included USB cable and easy software installation. Simply clip the webcam to your monitor and you're ready to go.
 - The lightweight and ultra-compact design clips neatly onto your LED or LCD monitor without blocking the screen, so you can leave it attached when not in use.
-

Compatibility

The HP USB HD 720p v2 Business Webcam is compatible with the HP ProDesk 600 G1 TWR, SFF; HP EliteDesk800 G1 TWR, SFF, USDT; HP Compaq 6305 Pro MT, SFF.

NOTE: Please check [this product's web page on HP.com](#) for current compatibility information.

NOTE: Not all models are available in all regions.

Service and Support

Your Option Limited Warranty is a one (1) year (HP Option Limited Warranty Period) parts replacement warranty on any HP-branded or Compaq-branded options (HP Options). If your HP Option is installed in an HP Hardware Product, HP may provide warranty service either for the HP Option Limited Warranty Period or the remaining Limited Warranty Period of the HP Hardware Product in which the HP Option is being installed, whichever period is the longer but not to exceed three (3) years from the date you purchased the HP Option.
