

Business Laser Printers and All-in-Ones

Voted #1 in Reliability, offering low printing costs and designed to enhance your workflow

brother[®]
at your side

Need a reliable printer or all-in-one that lowers your Total Cost of Ownership (TCO) and helps improve your productivity?

The Brother™ HL-5400 Series printers and MFC-8000 Series all-in-ones are ideal for small to mid-sized offices and small workgroups looking for hard-working, cost efficient machines. For larger, more demanding corporate environments and higher print volumes, our HL-6180DW Series printers and MFC-8950DW Series all-in-ones are the perfect choice. These models provide fantastic lifetime value and consistent, reliable high-quality performance.

Reliable performance and outstanding customer service

Brother printers and all-in-ones have earned a reputation for high-performance, reliability and value. In 2012, Brother was voted #1 in Reliability for Printers by PCMag.com readers - our fourth consecutive year winning this prestigious award. And Brother stands behind your purchase with **FREE** phone support for the life of your product.

Additionally, a survey of Brother laser printer and all-in-one customers revealed that 93% of Brother laser owners are satisfied with the reliability of their Brother laser printer and that 91% of Brother laser owners would recommend Brother laser printers to a friend, family member or colleague.

Cost-efficient output and money saving features

Brother helps you reduce your printing budget with products that provide a low cost per page, eco-friendly Deep Sleep mode, automatic duplex printing, and Toner Save mode. A high-yield 8,000-page[▼] replacement toner cartridge is also available* for an even lower cost per page. Businesses with higher print volumes can save up to **50%** per page¹ using a super high-yield 12,000-page[▼] replacement toner cartridge (available on HL-6180DW/T and MFC-8950DW/T).

Help increase your productivity, reduce costs, and streamline workflow

Quickly produce high-quality business documents in-house at up to 42 pages per minute, which can help reduce outsourced printing costs. You can also monitor printing with cost recovery and security software[▲].

All-in-Ones with advanced scan, copy, and fax capabilities

Brother all-in-ones help you create high-quality black and white or color scans in a variety of file formats, and work with included scanning software to help you edit, share, and archive your documents electronically. You can scan bound materials directly from the legal-size document glass², or scan multi-page documents from the automatic document feeder. You can even produce two-sided copies/scans/faxes from one or two-sided originals with time-saving single-pass duplex scanning (available on MFC-8910DW/8950DW/8950DWT).

Choose from a wide range of “scan to” options

All Brother all-in-ones give you the ability to scan to a file, image, E-mail, or OCR. The MFC-8000 Series all-in-ones give you even greater scanning flexibility with a variety of options including:

- Scan documents directly to a FTP server or E-mail scanned documents directly to your E-mail server^{4,5}
- Scan and save electronic documents directly to an internally shared location on your network (CIFS – Windows[®] only) for easy access to information
- Compliant for scanning and printing with popular industry-specific software applications (i.e. Eduphoria, Edusoft and Cerner)
- Seamless integration with online Document Management services such as Doculex and ftopia through Brother™ Online
- Upload documents directly to your Google Drive™, Dropbox, EVERNOTE®, SkyDrive® and Box service via Touchscreen display interface[△]
(available on MFC-8950DW/8950DWT)

Google Drive

EVERNOTE

Additional value added features available:

- Convenient Walk-up Printing and Scanning - Save time by directly printing from or scanning to your USB flash memory drive[■]
- LDAP⁴ – Quickly search for E-mail addresses or fax numbers on your server
- Internet Fax⁴ - Send and receive faxes using the Internet, eliminating the need for a phone line
- Fax to Server – Send faxes over the Internet to a separate fax server for transmission
- Secure Function Lock – Restrict or grant access to printing, faxing, scanning, copying, page limit, page counter and USB Direct Interface by user
- 5” Color Touchscreen Display with QWERTY keyboard - Helps improve workflow and allows you to easily enter E-mail addresses or fax numbers
(available on MFC-8950DW/8950DWT)

Versatile paper handling to support demanding workloads

The HL-5400/6000 Series printers and MFC-8000 Series all-in-ones offer a wide range of paper capacities²⁰

Most models offer an adjustable, 250-sheet capacity paper tray that handles letter or legal-size paper, as well as a 50-sheet capacity multi-purpose tray for printing a variety of media sizes and letterhead. An optional 500-sheet capacity paper tray increases total input capacity and gives users the flexibility of simultaneously storing letter and legal size paper*. In addition, a straight-through paper path via the multi-purpose tray and back output tray helps ensure your letterhead and envelopes always look their best.

Choose the paper capacity that's right for your business:

Paper capacities for HL-5450DN/5470DW/5470DWT;
MFC-8510DN/8710DW/8910DW

300-sheet input capacity

- 250-sheet capacity paper tray
- 50-sheet capacity multi-purpose tray

800-sheet input capacity

- 250-sheet capacity paper tray
- 50-sheet capacity multi-purpose tray
- Optional 500-sheet capacity paper tray*
(Standard on HL-5470DWT/not available on the MFC-8510DN)

For users with higher print volumes, the HL-6180DW and MFC-8950DW Series offer larger paper capabilities

550-sheet input capacity

- 500-sheet capacity paper tray
- 50-sheet capacity multi-purpose tray

1,050-sheet input capacity

- 500-sheet capacity paper tray
- 50-sheet capacity multi-purpose tray
- Optional 500-sheet capacity paper tray* (Standard on HL-6180DWT/MFC-8950DWT)

Flexible connectivity

- Built-in Ethernet and Wireless 802.11b/g/n interfaces for easy network printing, scanning and PC faxing^{3,8}
- Wireless interface helps eliminate extra cables (not available on HL-5450DN and MFC-8510DN)
- Gigabit Ethernet interface for enhanced performance (available on HL-6180DW/T and MFC-8950DW/T)

Convenient mobile device printing

- Wireless printing from your mobile device via²¹: AirPrint™, Google Cloud Print™, Brother™ iPrint&Scan, Cortado Workplace and Wi-Fi Direct™ (Wi-Fi Direct™ not available on HL-5450DN/MFC-8510DN)
- Wireless scanning to your mobile device via Brother™ iPrint&Scan free downloadable app²¹

Which model is right for you?

We offer a full range of laser printers and all-in-ones ideal for your busy home office, multi-user office environment and everything in between.

Three printer models to choose from:

HL-5450DN

- Prints up to 40ppm
- Automatic duplex printing
- Ethernet and Hi-Speed USB 2.0 interfaces
- 300-sheet paper capacity
- 64MB memory
- High-yield replacement toner cartridge available* (8,000-pages)▼

HL-5470DW

Includes all the features of the HL-5450DN, plus:

- Built-in wireless 802.11b/g/n interface
- Backlit LCD display
- 128MB memory
- Wi-Fi Direct™

2 tray model also available (HL-5470DWT)

HL-6180DW

Includes all the features of the HL-5470DW, plus:

- Prints up to 42ppm
- 550-sheet paper capacity
- Gigabit Ethernet interface
- Super high-yield replacement toner cartridge available* (12,000-pages)▼

2 tray model also available (HL-6180DWT)

Four all-in-one models to choose from:

MFC-8510DN

Print • Copy • Scan • Fax

- Prints and copies up to 38ppm
- Automatic duplex printing
- Ethernet and Hi-Speed USB 2.0 interfaces
- 300-sheet paper capacity
- 64MB memory
- High-yield replacement toner cartridge available* (8,000-pages)▼

MFC-8710DW

Includes all the features of the MFC-8510DN, plus:

- Prints and copies up to 40ppm
- Wireless 802.11b/g/n interface
- Legal-size document glass
- Optional paper tray available*

MFC-8910DW

Includes all the features of the MFC-8710DW, plus:

- Prints and copies up to 42ppm
- Single-pass duplex scan/copy/fax
- 1 year on-site limited warranty
- 128MB memory

MFC-8950DW

Includes all the features of the MFC-8910DW, plus:

- 5" Color Touchscreen with Web Connect△
- 550-sheet paper capacity
- Gigabit Ethernet interface
- Super high-yield replacement toner cartridge available* (12,000-pages)▼

2 tray model also available (MFC-8950DWT)

Technical Specifications

		HL-5450DN	HL-5470DW / 5470DWT	HL-6180DW / 6180DWT
General	Print Technology	Electrophotographic Laser		
	LCD Display	N/A	1-line LCD	
	Print Speed (maximum)	Up to 40ppm / 18 sides per minute in duplex mode		Up to 42ppm / 18 sides per minute in duplex mode
	Time to First Page [^]	Less than 8.5 seconds		
	Print Resolution (maximum)	Up to 1200 x 1200 dpi		
	Memory (standard / maximum*)	64MB / 320MB	128MB / 384MB	
	Processor	400 MHz		
	Emulations	PCL®6 and BR-Script3*, IBM Proprinter, Epson FX

- ♦ PostScript[®]3[™] compatible.
- * Requires additional purchase.
- PDF (up to ver. 1.7), JPEG, XPS and Secure PDF files (scan only). USB flash memory drive not included.
- ∞ Maximum capacity based on using 20 lb. (bond) paper.
- Requires connection to a wireless network. See www.brother.com for details, availability, and mobile device compatibility.
- Server 2003/2008 network printing only.
- ▽ Approx. yield in accordance with ISO/IEC 19752 (Letter/A4).
- △ Requires an Internet connection and account with desired service. See www.brother.com for details.
- ^ Drum yield is approx. and may vary by type of use.

- ¹ Claim is based on using TN-720 standard yield toner cartridge vs. TN-780 super high-yield toner cartridge at MSRP. TN-780 cartridge is sold separately.
- ² MFC-8510_{DN} has a letter-size document glass.
- ³ PC Fax Receive not supported for Mac[®] OS.
- ⁴ Standard with MFC-8910_{DN}/8950_{DN}T; download from <http://solutions.brother.com> for MFC-8510_{DN}/8710_{DN}.
- ⁵ Requires SMTP/POP3 mail server support.
- ⁶ Using ITU-T Test Chart #1 with JBIG coding and std. resolution.
- ⁷ Requires download from <http://solutions.brother.com>.
- ⁸ See system requirements chart on www.brother.com.
- ⁹ Some advanced features are not supported under all operating systems or drivers. Refer to User's Guide at www.brother.com.

Optimize your workflow using Brother™ solutions

OPTIMIZED →
WORKFLOW™

from info to workflow™

Protect your valuable information with enhanced security features[▲]

- User authentication to help prevent unauthorized access to the device
- Secure and Find-me printing/pull printing to help prevent the accidental sharing of confidential printed materials
- The ability to manage stored files and output from a workstation as well as release jobs directly from the all-in-one control panel

Help reduce your total cost of operation to accomplish more while spending less[▲]

- Device monitoring and cost accounting to help you directly monitor expenses on a per-user basis and determine patterns of use and potential for cost reduction
- The ability to redirect jobs to the most cost-effective device in your fleet
- Intelligent scanning solutions help improve workflow and reduce time-consuming repetitive tasks

Optimize your workflow to help increase productivity, accessibility, and collaboration[▲]

- Rules-based printing to help improve the load balancing of your hardware fleet and promote more efficient print behavior by users
- Improved leveraging of installed hardware and network to help make the most of existing technology
- Integration of easily-shared cloud-based content management solutions for businesses of any size

Gain visibility and control of your printing to save money and boost productivity[◆]

- Floor mapping - zoned by department, workgroup, or physical proximity
- Appropriate number of output systems by zone (based on proximity & proper employee to device ratio)
- Appropriate mix of technology in each zone (MFC/printer/fax, B&W/color, new vs. current, etc)
- Managed Print Services (MPS) provides continuous monitoring for service & supplies delivery

[▲] Using third party software, additional purchase required
[◆] Managed print services provided by Brother channel partners
